For all exam boards, please note there are three possible outcomes of a Clerical Check, Review of Marking, or Priority Review of Marking:

1. Your original mark is lowered, so your final grade may be lower than the grade originally received.
2. Your original mark is confirmed as correct, so there is no change to your grade.
3. Your original mark is raised, so your final grade may be higher than the grade originally received.

Whatever the outcome, no refund will be issued.
